We will happily make accommodations for common dietary restrictions (e.g. vegetarian, pescatarian, removing shellfish, nuts, or gluten from our menus) with at least 72-hours' advance notice. *****Please note that we are unfortunately unable to accommodate a vegan menu on NYE.***** Please let us know if any guests in your party have any dietary restrictions or allergies by completing the short questionnaire received via email after you complete the booking on Tock. If you are reserving less than three days in advance, please call the restaurant directly before you confirm.

Please know that it may not be possible for us to accommodate all dietary restrictions and allergies. If you have any concerns, the sooner you reach out to us with them, the better. We aim to please.

We take great care to prevent cross-contamination in our kitchen. However, we strongly caution diners with extreme allergies to be aware that common allergens are used throughout our kitchen in close proximity to other ingredients.

Do you allow corkage?

La Toque is one of 93 restaurants in the world to receive The Wine Spectator's highest honor, The Grand Award, for our wine list and service excellence. Our extensive wine list boasts more than 2,300 selections focusing on rare library wines of California and other great wine-producing regions. Pairing wine and food is our passion. The pairings on our menus are considered by many to be the ultimate food and wine experience. Our culinary team and Sommeliers taste together daily, constantly exploring, looking for combinations that elevate both the food and wine, creating harmony.

If you would like to bring wine from your personal collection, we will gladly open and serve your wine for a \$50 per 750ml bottle corkage fee with a maximum of four bottles per table. We will also gladly waive one corkage fee for each bottle you purchase (equivalent size). Please note that we are not allowed to serve any bottles that have been opened prior to arrival at the restaurant, and no outside liquor or beer is permitted on our premises.

Are animals allowed at La Toque?

Per California Health Code laws animals are not permitted in any restaurant spaces. We will accommodate ADA-protected service animals; please note that emotional support animals do not qualify as service animals and are not protected under California ADA-protection laws. People using Service animals in California must have their animal on a leash or harness and should have an official identification tag. We request that Service animals wear their government-issued vests when in the restaurant.

Are there rooms at the Westin available for the night?

Yes, a limited number of discounted rooms are available to our La Toque guests on NYE. Once you have booked your reservation, contact Mateo@LaToque.com for a link to book your room. *****Please note that you must book your room under the same name as your NYE dinner reservation in order to be eligible for the discounted room rate.*****

Can I view the menu?

Yes. We have to respect Mother Nature, so the menu is never truly finalized until about a week before, but we have a pretty solid draft shaping up already with Ossetra Caviar, fresh Black Truffles, meltingly tender Prime Beef Rib Cap, and some amazing Fresh Seafood. We've lined up some special wines to drink too. You may view our working Draft Menu by clicking on 'New Year's Eve' under the 'Menus' dropdown tab on our website.

Will I receive any other communications regarding my reservation?

Our Reservations Team will contact you regarding confirmation of booking, allergies/dietary restrictions, and any special arrangements you would like us to make for you. If you are booking less than three days in advance, our team may not be able to get in touch ahead of your visit. Please feel free to call us should you have any questions or concerns.

Plenty of free street parking is also available. Ride services such as Uber and Lyft are consistently available in Napa Valley. There are also a handful of local cab companies.
